

## Welcome to [Leadership Ohio!](#)

Please take some time to explore these web pages and see what we have to offer you as a leader, member, sponsor, or prospective participant in our program.

Each link has information that will introduce you to our program, activities, upcoming events, relevant data, resources, and information on how you can be involved.

Most people simply think "leadership training" when they think of a leadership program. The leaders that support our programs engage in experiences far greater than just 'training.' During its fifteen year history, Leadership Ohio has built relationships with leaders, organizations, and communities around the state that allow us to bring our members unique opportunities to experience Ohio's assets and challenges and collaboratively create new opportunities to help position the state of Ohio for success. Our core program takes leaders to each region of the state to learn at the real places where key issues are being unfolded.

We invite you to join with us to experience this unique program in the state of Ohio!

I hope you find what you're looking for and some things that surprise and impress you! I welcome your comments and suggestions. Enjoy your visit to [www.LeadershipOhio.org](http://www.LeadershipOhio.org). And, I look forward to meeting you!

Go Forth and Lead!
